TALENT SHOW NEWS!!

Our Annual Talent Show is coming up! Students will have a chance to show their talent to the community while at the same time raise money for the music program at the school. This year we have opened the talent show to the 4th graders and we are looking forward to seeing what talent they bring to our show!

Students have two rehearsal days to choose from and must sign up for one in order to perform at the talent show. The sign up dates are **February 6th and February 13th** right after school and will end in time for the students to take the 3:30 late bus home.

Students can find the sign up sheets for rehearsal times on the board by the entrance to the buses.

The talent show is open to the public and we encourage family and friends to come watch this blossoming talent on **February 21st!** Cost to attend the talent show is \$3 for adults and \$1 for children. All proceeds from this event go to the music program. All students must be accompanied by an adult. All types of talent are encouraged to sign up!! Without the talent – there will not be a show!

Great East Festival

Great East Festival permission slips have gone home with the children. Please have the permissions slips and money returned to Mr Woolley by February 5th. Please put the money in an envelope with your child's name on it, in case the money becomes separated from the permission slip.

There will be another permission slip for the students coming home in April. This slip will be for the student pick up/bus selection, shirt size and any medical concerns.

The date for the Great East Festival is quickly coming up! The date for Great East festival is May 25th where the students will travel to Amesbury Middle School to perform. After the performance, the students will board the busses and travel to Canobie Lake Park to celebrate all their hard work through out the year.

Other Music News!!!

Sau21/90 District Concerts

This year's SAU21 District Festival on March 27 is a new format we are trying this year.

The effort is to give 8th graders a more holistic approach and time with their future peers and staff.

The timeline for March 27 is as follows.

The 8th grade band and chorus will leave SMS to WHS round 1pm to rehearse for their perspective concerts all afternoon. Then students will have a dinner time and then at 5:30pm the 8th grade and high school band will perform then at 6:30pm the 8th and high school chorus will perform.
