2017

## OUR ANNUAL COOKIE FUNDRAISER!

Another cookie selling season is in the books! Band and chorus students sold 632 boxes of pre-portioned frozen cookies! We profited \$4800 after cash and sweatshirt awards!

## Cookie Delivery Day is November 16th!

We are looking for volunteers from noon to 2:30pm to help with receiving and sorting the cookies by student orders and then parent volunteers from 2:30 to 5pm to facilitate in the pickup of cookie orders by students and parents.

Please contact Mr. Woolley or Annette Marino (parent volunteer) if you are available to help during cookie order organization, cookie pick up, or both!! Annette can be contacted at (603)997-2188, by text or call, through Facebook or by email at [Annette\\_marino@yahoo.com](mailto:Annette_marino@yahoo.com). The more hands we have, the easier and more fun it will be!

Pick up will be in the 7<sup>th</sup> grade science lab just outside the café'.

Our hope, by December, is to announce the cost of the Great East Festival per student, in order for parents to prepare for payment at the end of January 2017.

Great East Festival is a trip taken during the school day, and as such, students should be in good standing throughout the second and third trimester in order to attend, as with any other field trip with the school.

## Additional Fund Raiser!

Please join us on November 20<sup>th</sup> at Outback between 4 and 9pm for "Dine Out" to raise money! Each meal purchased during this time will give us 15% of the dinner! Please sign up at <https://www.groupraise.com/events/42008> and be sure to mention it when you come to dinner!

## UNH Band Extravaganza Field Trip

The 4th through 8th grade band will be receiving a permission slip to the UNH Band Extravaganza.

The trip is to take place on November 17th and cost for ticket and transportation will be \$5.

This is a great opportunity for all the band students to see an example of mature musicality, musicianship and potential they have for the future.

Please return permission slips as soon as possible!
